INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Enclosed for filing in the above-captioned patent application is a Form PTO-1449 and a copy of each of the references cited therein. As this Information Disclosure Citation is being filed prior to receipt of a first Office Action on the merits, no petition or fee is due.

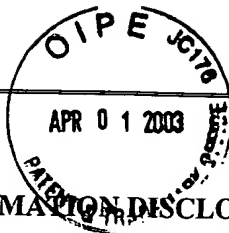

The submission of these references should not be construed as an admission by Applicants that the information contained therein is, or is considered to be, material to patentability as that term is defined in 37 CFR §1.56(b). It is respectfully requested that the Examiner return a copy of the Form PTO-1449 with initials or other appropriate marks indicating consideration of the cited material.

Respectfully submitted,

March 25, 2003

Candice J. Clement
